<tbody>
<tr>
<td>8:00-9:00</td>
<td>Registration</td>
<td></td>
</tr>
<tr>
<td>9:00-9:20</td>
<td>Welcome &amp; introduction</td>
<td>Anna Mattsson and Damon Fahimi, UMC</td>
</tr>
<tr>
<td>9:20-9:30</td>
<td>40 years of coding</td>
<td>Malin Jakobsson, UMC</td>
</tr>
</tbody>
</table>
| 9:30-10:45 | Report from UMC  
*Learn about WHODrug with a focus on the latest developments and an update on regulatory expectations.* | Damon Fahimi and Malin Jakobsson, UMC                                         |
| 10:45-11:15| Coffee & tea break                                                                               |                                                                              |
| 11:15-12:30| Daily challenges of coding - an interactive session  
*Share your expertise and learn from colleagues within the industry during this interactive coding workshop.* | Mao Söderberg, UMC                                                          |
| 12:30-13:30| Networking lunch                                                                                  |                                                                              |
| 13:30-14:15| Coding Traditional Chinese Medicine with WHODrug Dictionary  
Presenter: Qingzhu Gao, Linkdoc  
Panelist: Lily Wang, Tigermed |                                                                              |
| 14:15-15:00| WHODrug coding conventions  
Presenters: Xiaoyi Dong, Pfizer and Yankun Zhang, IQVIA  
Panelist: Joy Zhu, IQVIA |                                                                              |
| 15:00-15:30| Coffee & tea break                                                                               |                                                                              |
| 15:30-16:10| How is WHODrug coded data used by statistical programmers and biostatisticians  
Presenter: Neal Guo, IQVIA  
Panelist: Cheryl Cal, Pfizer |                                                                              |
| 16:10-16:30| How to use WHODrug in studies with data entered in Chinese  
Joy Zhu, IQVIA |                                                                              |
| 16:30-17:00| Open Q&A session, wrap-up & closing remarks  
Anna Mattsson, Damon Fahimi and Mao Söderberg, UMC |                                                                              |
| 17:00-19:00| Drink reception & dinner  
*Join us for a drink reception followed by a buffet style dinner while given the opportunity to interact with UMC staff and fellow WHODrug users within the industry - all in a relaxed setting.* |                                                                              |
